

Our Facility

Your child will spend their days in a **fully licensed childcare Centre**. Our updated classrooms are designed with the needs and comfort of young learners in mind – knowing that our Centre is **climate controlled** and that we have shaded areas for outdoor play will ensure your child's comfort on the hottest, humid summer days

Our Staff

Your child will be cared for by experienced and certified (RECE) teachers. Our permanent staff have years of experience in creating engaging programs that encourage your child to grow and develop

Our Program

Світличка - a Ukrainian early enrichment program that excites curiosity, stimulates creativity, encourages the development of problem-solving skills, creates and expands cognitive, language and motor skills and helps each child to better understand themselves, their Ukrainian heritage and culture and the world in which they live.

What Parents are Saying

“So convenient! It’s a one-stop drop off for my preschooler and two kindergarteners” – Tatiana (Mama to Danylo, Marko & Olena)

“We love that our children can spend their days in a Ukrainian immersion environment. We know they are safe and well cared for by highly qualified teachers” – Samantha & Shaun (parents of Eva & Aria)

“This is our childrens’ home away from home. The most fun they can have in the summer with their friends” – Natalie & Alex (parents of Mariana, Oksana & Yuri)
